

BRIDGE KIDS BAPTISM PROCESS

There is no magic age that indicates whether or not your child is ready for baptism. Baptism is an outward expression of an inward choice to share with others that one has accepted Christ as his or her Savior.

We usually find that kids begin to process and articulate this expression between ages of 8 and 10. To help you, here are the steps that your child must take to prepare for baptism.

The decision to trust Christ as their Savior is the most important decision your child will ever make. The next milestone is to join with believers to publicly declare and celebrate their new life in Christ through the act of baptism.

We want each child to fully understand the significance of baptism when they participate in this milestone. If you have questions about the process, please send an e-mail to kids@bridgeomaha.org.

REGISTER

Parents must fill out a registration form to enroll their child in the baptism process. Enrolment is open anytime. To request a form, please send an e-mail to kids@bridgeomaha.org.
